- All participants are required to wear a helmet and equipment which is in compliance with the FAI Sporting Code Section 5 - 2017 Edition
- Metal on Helmet:
 - You may not enter into the wind tunnel with exposed metal components
 - If you enter into the wind tunnel with exposed metal despite this warning, the Organizer may hold you financially responsible for any damage to the wind tunnel equipment
- Plastic Helmet Mounts:
 - It is recommended that any plastic camera mounts are removed from your helmet before entering the flight chamber.
 - Should your helmet have any plastic mounts and you fully understand your own risk in flying with foreign objects, it has to be approved by Gravity Senior Instructor. In addition Gravity requires your written acknowledgment and your agreement to do so at your own risk.
 - Gravity reserves the right to prohibit you from entering into the flight chamber with any plastic helmet mount.
- Weight belts:
 - It is recommended for competitors to bring their own weight belts. Gravity has a very limited amount of weight belts.

All safety instructions will be discussed during the technical meeting with each discipline.

14. Insurance, Waivers and Documentation

Gravity Indoor Skydiving does not request any flyer to hold third party liability insurance. Each participant entering the tunnel to fly will have to sign a Gravity Indoor Skydiving waiver document. Participants would be responsible for covering their own repatriation and personal medical insurance for the duration of their stay for the competition.

15. Emergency Medical Services

The building meets full safety and emergency requirements needed for public use in regards to evacuation procedures, fire safety, emergency exits etc. During the event there will be a full-

time paramedic team with an ambulance and qualified first-aid personnel from within the Gravity staff.

Emergency services can be reached by calling 999, and they usually arrive very promptly. Bahrain is host to many medical facilities and hospitals of good standard. The nearest hospital is:

Bahrain Defense Force Hospital, West Riffa and is only a 15 minute drive from Gravity.
